Assignment 3

- Study the Agile Unified Process (AUP) methodology (described at: [www.ambysoft.com/unifiedprocess/agileUP.html](http://www.ambysoft.com/unifiedprocess/agileUP.html)). Separately compare the AUP with each of these methodologies: DSDM, XP, ASD, Crystal Clear, and FDD. In each comparison, specify the similarities and differences, and point out the aspects in which one process is superior to the other.

- Conduct a research on the various techniques used for making Scrum scalable. Prepare a short report (ten pages max) of the results of your research.
