Assignment 1

- Study the Agile Unified Process (AUP) methodology, described at: www.ambysoft.com/unifiedprocess/agileUP.html. Compare AUP with UP based on your knowledge of UP – as introduced in class – and the information on the AUP webpage: Specify the similarities and the differences.

- Study the overall lifecycle of the eXtreme Programming (XP) methodology, described at: http://www.extremeprogramming.org/, and also in this paper: http://portal.acm.org/citation.cfm?id=1322435 (this paper is available on the course webpage). Compare the lifecycle of XP with that of UP.
